**OUR INVITATION TO YOU...  
OLD FRIENDS, NEW FRIENDS...**

You probably have quite a few friends already, neighbors co-workers, parents of your children's friends...they share a lot of your interests and concerns...but how many of them share your concern that when you say goodbye to your spouse at the start of a typical work day, that goodbye could be your last? How many understand the stress of living with a first responder, or share your pride in this chosen life and career?

Law enforcement families have a bond that is difficult for others to understand. Do you have the support system you may some day need to deal with the unique problems, challenges and circumstances your family may face?

The FOP Auxiliary is the law enforcement family connection. Their main objective is to support the FOP, but just as importantly they are there to support each other. They are the wives and husbands who understand living on low salaries and high stress levels. They are the mothers and fathers who support their child's career choice, but hold their breath each time the phone rings. They are the children who grew up knowing that their family was somehow different from their friends' families, somehow special.

If you are a family member of an active Fraternal Order of Police member, please consider joining your local Henrico #4 Fraternal Order of Police Auxiliary. We meet the first Tuesday of every month at 6:30 p.m. at the Henrico FOP Lodge (2221 East Parham Road, Suite A, Richmond, VA 23228).

**ABOUT THE AUXILIARY**

The Fraternal Order of Police Auxiliary is an ancillary organization supporting law enforcement, comprised of family members of law enforcement officers. The Auxiliary is the only national support organization of its kind. The Fraternal Order of Police Auxiliary was organized to unite families of members of the Fraternal Order of Police; to promote their welfare socially, morally, and intellectually, and to encourage them in all things pertaining to their good.

In 1968, the FOP Auxiliary Henrico #4 was founded. While family lifestyles have changed greatly since then, the Auxiliary has adapted to fit with the needs of today's law enforcement families. We are proud of our history, and excited about the future years of service to our Parent Lodge, our community and to our law enforcement family.

Our monthly membership meetings are social events with friends and refreshments, but they are also work sessions where we plan our various activities and keep abreast of the State and National Auxiliary news. Throughout the year, we host family picnics, our holiday "Santa Breakfast," and many other family-friendly events. We support a family in need over the holidays and consistently fundraise so that we have the means to do more. For ourselves, we enjoy our Christmas party and gift exchange and our annual meeting "out on the town."

**We are always looking for new ideas, new energy and new friends – please join us!**
